Dear Doug,

Alexander and I would like to express our gratitude for enormous support you are providing together with my Foundation to doctors, health workers and hospital patients in Serbia.

For all these years of our cooperation we together delivered 14 containers to Serbian hospitals to improve and assist our health system as much as possible in these difficult and challenging times.

We are trying to stay positive and committed to those that are in the front lines, our doctors, our health workers, and their patients.

Your efforts and contribution to Serbian hospitals and our people is superb. You are true inspiration, and we all greatly admire you.

Alexander and I thank you and your family from the bottom of our hearts.

It is a true privilege and blessing for us personally and for our country to have a friend like you.

Stay safe and healthy.

Best wishes,

HRH Crown Princess Katherine
